

**IN THE UNITED STATES DISTRICT COURT FOR THE
WESTERN DISTRICT OF MISSOURI
SOUTHERN DIVISION**

UNITED STATES OF AMERICA,

Plaintiff,

v.

JUSTIN BARTON,

Defendant.

Case No. 20-03061-01-CR-S-MDH

MOTION FOR DETENTION

Comes now the United States of America, by and through Timothy A. Garrison, United States Attorney for the Western District of Missouri, and the undersigned Assistant United States Attorney, and hereby moves this Court to order the detention of the defendant, **JUSTIN BARTON**, and states the following in support of the motion:

1. An indictment has been filed charging the defendant with receipt and distribution of child pornography, in violation of Title 18, United States Code, Sections 2252(a)(1) and (b)(1).
2. Title 18, United States Code, Section 3142(f) provides, in pertinent part, that hearing must be held by the appropriate judicial officer to determine whether any condition or combination of conditions “will reasonably assure the appearance of such person as required and the safety of any other person and the community” if the attorney for the Government moves for such a hearing and the case involves:

“(E) any felony that is not otherwise a crime of violence that involves a minor victim... .”

3. Title 18, United States Code, Section 3142(e) mandates, subject to rebuttal, “it shall be presumed that no conditions or combination of conditions will reasonably assure the appearance of a person as required and the safety of the community if the judicial officer finds that there is probable cause to believe that there is probable cause to believe that the person committed—(E) an offense involving a minor victim under section 2252(a)(2)... of this title.”
4. On January 15, 2020, the defendant was stopped for a traffic violation by the Missouri State Highway Patrol. During the encounter, the officer conducting the stop observed an image of what appeared to be a naked child on the screen of the defendant’s cell phone. The phone was subjected to a brief search with the defendant’s consent, yielding the discovery of multiple images depicting child pornography. The defendant then consented to a more thorough search of the phone by the Highway Patrol.
5. The defendant’s phone was searched a second time under color of a search warrant. The computer forensic analyst located 1862 images depicting child pornography.
6. The defendant was later interviewed and confessed to downloading child pornography from the Internet as well as surreptitiously recording minors using the bathroom at his residence.

7. The defendant was previously court-martialed for possession of child pornography in 2016.
8. This Court is obligated to consider “the nature and circumstances of the offense charged, including whether the offense... involves a minor victim... .” See 18 U.S.C. § 3142(g)(1).
9. The evidence against the defendant is overwhelming. See 18 U.S.C. § 3142(g)(2).

Wherefore, based upon the foregoing, the United States submits that there is clear and convincing evidence that there are no conditions which the Court could place upon the defendant that would reasonably assure the defendant’s appearance in Court and the safety of the community. The Government therefore requests that a detention hearing be held and that the defendant be detained pending trial of this matter.

Respectfully submitted,

Timothy A. Garrison
United States Attorney
